

Building Pathways for a Greener Workforce

AT LORD FAIRFAX COMMUNITY COLLEGE

Green Energy Career Pathway

Green-Collar Jobs Require New Skills *(and some re-thinking about old skills)*

LFCC Workforce Solutions can help you along the path to GREEN. Obtain national credentials for **FREE**. Courses are funded through the Shenandoah Valley Energy Partnership Grant. Call Justin Rodgers, grant representative, at 540-705-5392 and ask how to map out your path today!
